

DEBT COLLECTION & RECOVERY

Our Debt Recovery and Collections Group successfully recovers millions of dollars on behalf of the insurance industry and other businesses every year and our membership in Canadian Litigation Counsel and the Harmonie Group provides our clients with the reach they need to collect in every jurisdiction in North America and more than 20 countries spanning the globe.

Working closely with our clients to formulate innovative strategies, our experienced team of lawyers and legal professionals work to achieve the best possible results, efficiently and cost effectively.

Services

Assessments

The Debt Recovery and Collections Group keeps our clients informed and in control by providing our clients with a complete assessment prior to incurring significant legal fees, enabling our clients to make the right decision.

Flexible Funding Arrangements

The Debt Recovery and Collections Group works together with our clients to develop and implement funding arrangements appropriate to the size and complexity of the case and the needs of the client.
